### **CMU Announcements**

1. As people of peace in a world with much violence, the Canadian School of Peacebuilding is a great place to learn peacebuilding skills, to connect with other peacebuilders and to hear inspiring stories. Come join our wildly diverse community for a 5-day session, Jun. 8-12 or 15-19, 2020. Apply today at [csop.cmu.ca](http://csop.cmu.ca)!

2. This year's CMU Scientist in Residence is Dr. Deborah Haarsma, President of BioLogos, and former professor and chair of the Department of Physics and Astronomy at Calvin College. She will offer a public lecture entitled, 'God and the Multiverse' and open implications of recent discoveries in the cosmos for our understanding of scripture, God, and ourselves. Public Lecture, Wednesday, February 5, 7:00 PM. This event will be live-streamed. [cmu.ca/events/sir](http://cmu.ca/events/sir)

3. Face2Face - Us and Them: How did we become so polarized? Increasingly, public and churchly discourse is characterized by 'us and them' divisions between people and groups who see and understand the world differently. Be part of a conversation to help us imagine a better and more hopeful way to build bridges with those with whom we differ. This event will be live-streamed. Monday, February 10, 7:00 PM . [cmu.ca/face2face/](http://cmu.ca/face2face/)

### **Message From The Schroeders!**

"We know it's late but we wanted to say a HUGE thank you to you, CFC, for your incredible generosity in helping us fly back to Canada to be with family after Jack passed away. We made the decision to return regardless of the financial cost as we felt we needed to be there and were completely in awe when you offered to help with this. We feel so blessed to have such an amazing extended family in Christ that is part of this journey with us and desires to care for and bless us. So from the bottom of our hearts THANK YOU!"
